To The County Supt. (Mr. O. L. Emerick -

We the Undersigned Patrons of Middleburg & vicinity ask to have the Same teachers Miss Virginia Morton & Miss Rosa Carter Reappointed for Ensuing year -

Our school has been better disciplined under Miss Morton & Miss Carter's administration than it has been for the Last five or six years. It has not only been certified by the "colored" but by the "whites"

The children as a whole are devoted to both Teachers & have made better Progress in their studies than they have for some time. And for these reasons we do Earnestly request their return.
